
Continuing to Improve

Holding the Gains and Spreading Your Improvement

Holding the Gains

TASK A Schedule regular assessments to monitor and trend your metrics. Schedule interval reviews of the literature. Schedule sessions to update the protocol/order set.

Task A assignment _____

Time line for completing _____

Spreading the Improvement

TASK B Identify the priority areas to “spread” the improvements you have achieved. Review the framework for spread on the IHI Web site.
Don't overlook this significant opportunity.

Task B assignment _____

Time line for completing _____
