**Members understand that SHM is
every hospitalist's solution.**

About SHM

The Society of Hospital Medicine (SHM) is the first and only association dedicated to advancing the field of hospital medicine. As a premier “big tent” organization, SHM serves the needs of the entire hospital medicine team, including physicians, nurse practitioners, physician assistants, residents, medical students, practice administrators and more.

When you join SHM, not only will you gain a home, but also you become a part of a larger movement that impacts the lives of hospitalized patients worldwide through innovation and collaboration.

Visit hospitalmedicine.org/join to become a part of the hospital medicine movement.

“I think it’s important for all of us to be a part of a movement that’s larger than ourselves.”

- Lee Hamilton, MD

Access CME and MOC resources written by hospitalists, for hospitalists.

Whether you are preparing for the Focused Practice in Hospital Medicine (FPHM) exam or refreshing your knowledge, SHM offers the best resources to help you meet your continuing education goals.

CME

The **SHM Learning Portal** is your online destination for hospital medicine-focused CME. SHM members have access to more than 130 AMA PRA Category 1™ Credits as a benefit of membership. Access pre-recorded webinars and on-demand CME modules developed by experts in the specialty on your computer or mobile device.

shmlearningportal.org

MOC

Prepare with confidence. **SPARK** features 450 vignette-style multiple choice questions and covers 100% of the ABIM FPHM exam blueprint. Even if you are not studying to recertify, SPARK is a self-assessment tool that challenges all hospital medicine clinicians to think through a variety of subject areas. Members receive a discounted rate on their SPARK subscription.

Get the next generation of SPARK in 2019.

SPARK's new edition features a mobile app, so you can study at your convenience and on the go.

hospitalmedicine.org/spark

Our network is 17,000 members strong... and growing.

SHM membership offers a range of opportunities for you to connect to a dynamic network of hospital medicine professionals. Every interaction at SHM has the potential for career advancement, collaboration and educational growth.

Special Interest Groups

Special Interest Groups (SIGs) unite colleagues with similar interests and practice areas. Engage with members around the issues that matter the most to you and help shape the goals and initiatives at SHM.

hospitalmedicine.org/sigs

Chapters

Connect with your local hospital medicine community by getting engaged in the chapter closest to you. SHM has more than 60 chapters worldwide that regularly hold live events with educational programming and networking.

“SHM provides hospital-based providers with a platform to learn from, network through and make our voices and needs heard.”

- Suj Sundararaj, MD, MBA

Leaders wanted: Take the next steps to advance your career.

Fellows Designations

Gain credentials that will establish you as a leader in hospital medicine, prove your contributions to the field and position you for a successful, enduring career. SHM offers Fellows designations across a variety of membership categories, including physicians, qualified practice administrators, doctors of pharmacy, nurse practitioners and physician assistants.

hospitalmedicine.org/fellows

“Earning the designation of SFHM has provided me the opportunity to pause and appreciate the accomplishments and progress of hospital medicine as a specialty. The acknowledgment from SHM recognizing the contributions of clinicians as well as practice administrators is exceptionally valuable as a professional who has been in this field for 17 years.”

- Roberta P. Himebaugh, MBA, SFHM

“SHM provides the tools and resources you need to advance in your career. My membership has helped me accomplish a lot in my field. It has opened up several opportunities to succeed.”

- Ilaria Gadalla, PA-C

“I have been an SHM member since I graduated from my IM residency. As a practicing hospitalist, SHM has been the only resource I have used for most of my professional needs. The CME offerings have been cutting-edge and helped me stay up to date.”

- Ashwin Shivakumar, MD, MSPH, FACP, FHM, CPE

Learn from the best at SHM's live events.

Re-energize your practice and expand your network with today's hospital medicine leaders. SHM members receive discounted pricing on some of the most insightful and engaging meetings in the specialty.

SHM's Annual Conference is the largest national gathering of hospitalists in the United States, offering you an array of educational and networking opportunities to enhance your practice, increase your visibility and learn from leaders in the field.

shmannualconference.org

Academic Hospitalist Academy (AHA) is held in partnership with the Society of Hospital Medicine, the Society of General Internal Medicine and the Association of Chiefs & Leaders of General Internal Medicine. AHA provides academic hospitalists with the educational, scholarly and professional development skills needed for career advancement and success in academic hospital medicine.

academichospitalist.org

SHM Leadership Academy prepares clinicians, academics and administrators with vital leadership skills designed with hospital medicine professionals in mind.

shmleadershipacademy.org

Pediatric Hospital Medicine is sponsored by the Society of Hospital Medicine, the American Academy of Pediatrics and the Academic Pediatric Association to deliver educational and networking opportunities specifically for pediatric hospitalists.

phmmeeting.org

Adult Hospital Medicine Boot Camp is a joint meeting from the Society of Hospital Medicine and the American Academy of Physician Assistants designed as a refresher on the most commonly encountered diagnoses and diseases of adult hospitalized patients.

hospitalmedicine.org/bootcamp

“I enjoyed the variety of both clinical and non-clinical subjects offered at SHM's Annual Conference. The presenters are the best in their fields and having the opportunity to learn from them was amazing.”

- Ramin Yazdanfar, MD

Improve patient outcomes.

SHM's award-winning Center for Quality Improvement offers a personalized approach to quality and patient safety through an integrated, comprehensive and flexible menu of programs, tools and resources that can be customized to best meet the needs of your institution. Whether you are learning more about the quality improvement process or leading innovations and patient safety initiatives, SHM's Center for Quality Improvement is the ideal partner and resource center for QI-related challenges.

SHM's Center for Quality Improvement focuses on key clinical topics such as:

- Acute Coronary Syndrome
- Antibiotic Resistance
- AFIB
- Care Transitions
- COPD
- Congestive Heart Failure
- Glycemic Control
- Medication Reconciliation
- Opioid Safety
- Pain Management
- Palliative Care
- VTE

View a full listing at hospitalmedicine.org/theCenter.

“The Society of Hospital Medicine's (SHM's) Center for Quality Improvement embraces the opportunity to avail the voice of the frontline hospitalist, to focus on strategic performance and patient centered quality improvement initiatives. Hospitalists are pivotal in operational, evidence-based and quality performance and SHM supports training, mentoring and growing the leaders of the highest quality care in the changing landscape in delivery of healthcare.”

- Mangla Gulati, MD, CPPS, FACP, SFHM

Stay current on hospital medicine trends and optimize your practice.

SHM's publications portfolio offers complete coverage of the field including clinical developments, news, and research and trends in hospital medicine.

The *Journal of Hospital Medicine (JHM)* is the first and only peer-reviewed journal dedicated to hospital medicine. Free online access to the journal is a member-only benefit and includes an archive of past issues and supplements dating back to 2006. The journal advances excellence in hospital medicine through the dissemination of research, evidence-based clinical care and advocacy for safe, effective patient care.

journalofhospitalmedicine.com

The Hospitalist, SHM's monthly newsmagazine, covers current issues and trends including evidence-based clinical reviews, ethical concerns, public policy profiles and interviews with experts in the field.

the-hospitalist.org

The Hospital Leader, the official blog of SHM, provides timely news, information and commentary on the most compelling issues in the specialty, ranging from clinical updates and practice management to healthcare policy and ethics.

thehospitalleader.org

The *2018 State of Hospital Medicine Report* is an indispensable tool for hospital medicine program leaders and practicing hospital medicine professionals. The biennial *SoHM Report* offers current data on hospitalist compensation and production, as well as extensive coverage of practice demographics, staffing levels, turnover, growth, compensation models and financial support for solid, evidence-based management decisions.

SHM members can purchase the newly released *2018 State of Hospital Medicine Report* at a discounted rate. Visit hospitalmedicine.org/sohm to order.

Evidence of persistent demand for hospitalists abounds in the 2018 *SoHM Report*: rising salaries, growing responsibility for the overall hospital census and a diversifying scope of services.

SHM is advocating for you.

SHM works on behalf of hospitalists and patients nationwide to advance the practice of hospital medicine and improve the healthcare system.

Take action.

SHM hosts a Legislative Action Center where you can engage in policy issues impacting hospital medicine professionals.

SHM's Grassroots Network is mobilizing hospitalists across the nation to become the voice of hospital medicine in healthcare policy. Work alongside your colleagues to advocate for hospital medicine, hospitalists and patients.

Current issues.

View current issues and read recent statements and white papers from SHM.

hospitalmedicine.org/advocacy

“Getting to know other people from other groups and other practices and gaining knowledge from their experiences is so valuable.”

- Mark Skiba, MD, PhD,
Leadership Academy Attendee
